Introduction

This class A asset is centrally located in Sochaux, within the historic Peugeot factory, just 85 km from Basel-Mulhouse-Freiburg Airport, the second largest airport in the region after Charles de Gaulle. The Sochaux site features a spacious warehouse and modern office spaces, totaling (667,361 sq ft). The warehouse spans (645,295 sq ft) and benefits from a clear height of 12 meters, providing optimal storage conditions. The yard, with a width of 38 meters, allows for easy vehicle maneuverability. The site includes 61 docks, with a floor load capacity of 5 t/sqm and available electrical power of 3,000 KVA. Additionally, the site includes 260 parking spaces. Of these, 36 parking spaces are electrified, representing approximately 20% of the total, meeting sustainable mobility needs. Our priority is to ensure that every property we build delivers value to tenants and the local community while minimising environmental impact.

ESG Specifications

We aim to develop facilities to stand the test of time, whilst minimising the environmental impact on the communities they serve. This is achieved with the use of modern technologies, to reduce CO2 emissions, and the cost of occupation. Our logistics team has developed over 40 million square feet of premier, LEED/BREEAM-certified logistics space throughout the world, delivering state-of-the-art properties to meet our customers' needs without compromise.

Location

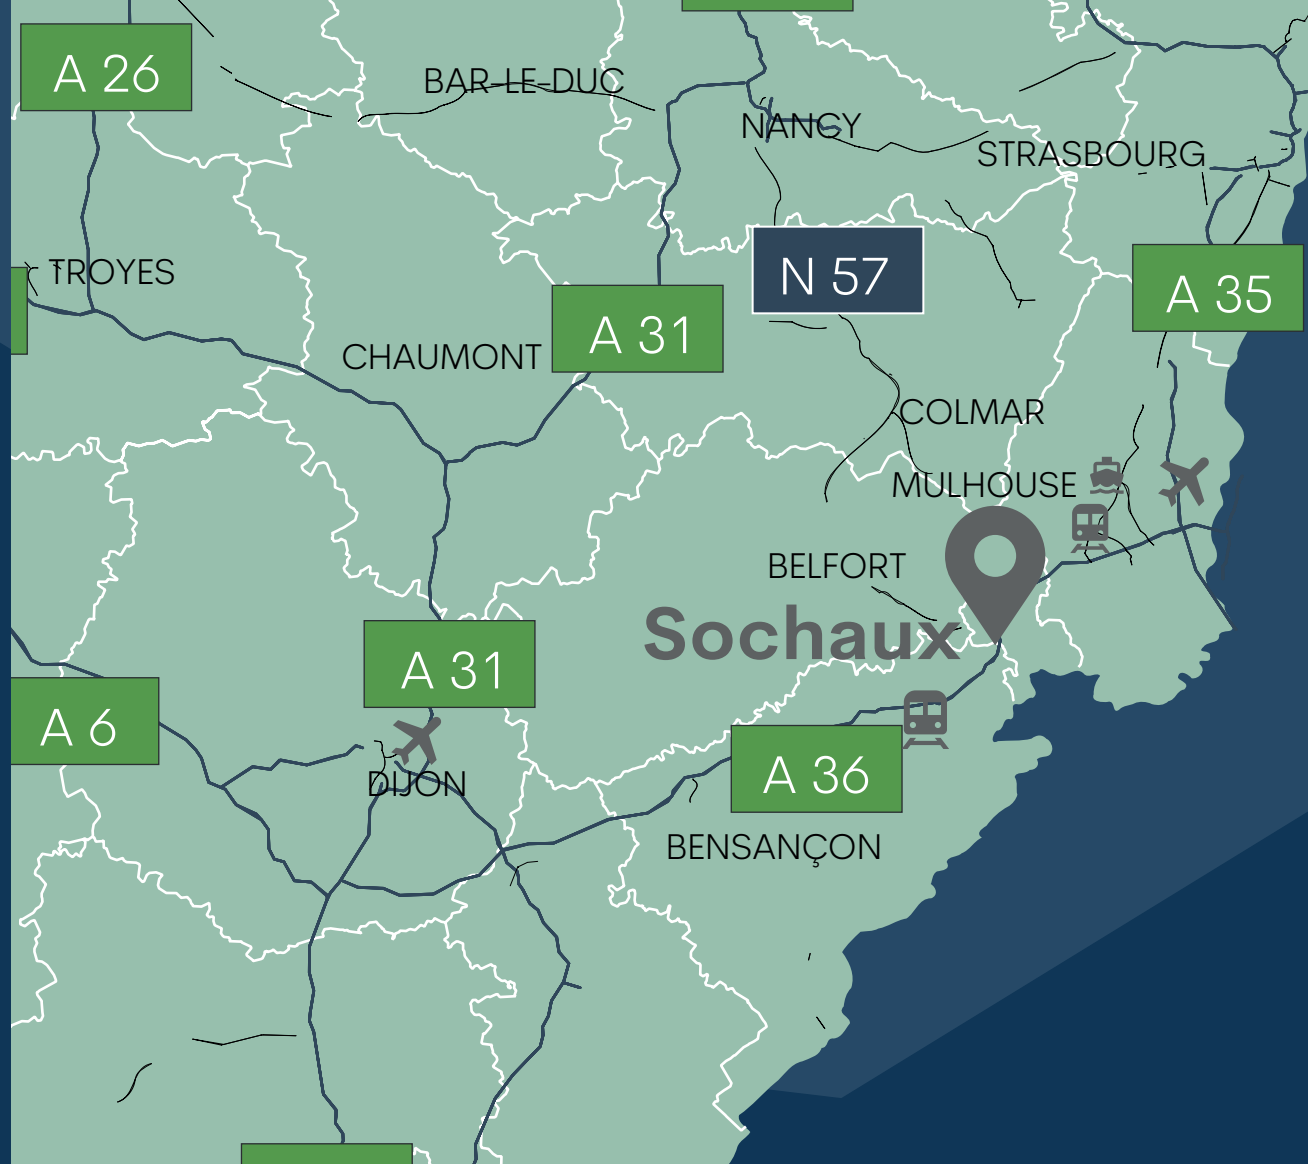

With direct access to the A36 highway and immediate proximity to Germany and Switzerland, this site enjoys exceptional visibility on a highly frequented route. Ideally located in the center of Sochaux, it is just 85 km from Basel-Mulhouse-Freiburg Airport, the second largest airport after Charles de Gaulle. Additionally, the site is in close proximity to the Belfort-Montbéliard train station, ensuring optimal connectivity. The local labor pool is loyal and specialized, providing a skilled workforce.
